Legal Notice

All construction activities authorized by this permit shall comply with the Pennsylvania Uniform Construction (UCC), and any applicable local ordinances. The reviewing agency reserves the right to require corrections or additional documentation to ensure compliance with the UCC and all governing laws.

Liability Disclaimer

The reviewing agency, its employees, and representatives shall not be held liable for any damages, losses, or expenses arising from the issuance or denial of this permit, or from any inspection, approval, or action taken in connection with the project.

Certification of Accuracy

The applicant certifies that all information provided in this application and accompanying documents is true and complete to the best of their knowledge. Submission of false or misleading information may result in revocation of this permit and potential legal action.

Contractor Responsibility Statement

The contractor identified herein is responsible for ensuring that all construction activities are performed in accordance with approval plans, specifications, and the Pennsylvania UCC. The contractor must maintain required licenses, insurance, and certifications for the duration of the project.

All permit fees are non-refundable as per the schedule of fees.

Hold Harmless / Indemnification Agreement

The applicant and property owner agree to indemnify and hold harmless the reviewing agency, its officials, employees, and agents from and against any and all claims, damages, liabilities, losses, and expenses, including attorney's fees, arising out of or resulting from any work authorized by this permit.

Zoning Permit Application - Mahoning Township, Carbon County, Pa

This application form must be completed by any individual or entity seeking official zoning approval within Mahoning Township, Carbon County, Pennsylvania. Kindly ensure that all required sections are thoroughly filled out and that all necessary supporting documentation is attached upon submission.

Description of Project:

Proposed Use

Please provide a comprehensive description of the proposed use or development for this property, including detailed information about any structures to be erected, modified, or removed. Attach additional pages as necessary to ensure clarity and completeness.

Required Supporting Documentation

- Detailed site plan or diagram indicating all proposed improvements located on property along with distance from structures from property line, noting septic, well and easements.
- Proof of ownership or written authorization from the current property owner
- Any other relevant materials (e.g., deeds, surveys, architectural plans)

Certification

I hereby affirm that the information contained within this application is accurate and complete to the best of my knowledge. I understand that the submission of this application does not guarantee approval, and that supplementary information may be requested by Mahoning Township.

Legal Disclaimer

Mahoning Township, Carbon County, Pennsylvania, its officers, agents, and employees shall not be held liable for any consequences, damages, or costs—direct or indirect—arising from the review, approval, denial, or subsequent actions related to this zoning application. The applicant is responsible for compliance with all applicable local, state, and federal laws and regulations. Approval of this application does not constitute a waiver of such requirements, nor does it imply any responsibility on the part of Mahoning Township for errors, omissions, or actions taken by the applicant or any third party.

GENERAL BUILDING PERMIT NOTES

1. Residential Building Permit review may take up to **15 business days** upon receipt of a complete application pursuant to the PA Uniform Construction Code.
2. Commercial Building Permit review may take up to **30 business days** upon receipt of a complete application pursuant to the PA Uniform Construction Code.
3. Permit application fees are due at the time of the application. Permits will not be reviewed until the appropriate fees have been paid.
4. All additional fees must be satisfied prior to release of permit(s).
5. Generally, stamped and/or sealed plans prepared by a design professional licensed in the Commonwealth of Pennsylvania are not required for residential building permits. However, under certain circumstances, the municipality's Third-Party Inspection Agency may require building plans and specifications to be stamped and/or sealed by a design professional licensed in the Commonwealth of Pennsylvania. This would typically apply to non-conventional type construction or structures.
6. Square footage will be verified, adjustments noted, and cost adjusted accordingly during plan review. Square footage is calculated on the industry standard square footage basis measured outside-to-outside dimensions of all levels of the structure, and shall include basements, bays, hallways, stairways, utility/mechanical rooms, storage rooms, lobbies, attached garages, foyers, elevators, decks, covered patios, porches, and attics that have a minimum headroom height of six feet.
7. Consultation, site visits and/or attendance at meetings with applicants, municipality officials or Staff shall be billed at the plan review hourly rate with a 1 hour minimum.
8. Fees for apartment building or greater than 2-family dwellings shall be calculated using the Commercial Building Permit Fee Schedule.
